

# CREATIVE

## EXCEL

- I can explain some of my personal values (these are values that I have thought hard about and I know lead to the best way to live) and I link them to possible careers
- I develop ideas by considering different perspectives both in school and in wider life.
- I create and implement strategic plans to solve complex problems and assess their success.
- I reflect on my own leadership style and adapt my approach according to my situation.
- I can detail some Big Ideas from subjects that I am not studying for GCSE qualifications.
- I use my knowledge of Future Yous to decide on my next steps and create a CV that highlights my personal values, skills and interests.

## EXTEND

- I can detail my character strengths and link these to a range of future careers.
- I generate ideas by combining different concepts.
- I create solutions for complex problems by generating a range of options.
- I support others by motivating them.
- I can detail some of the Big Ideas from all of the different subjects I have studied in school.
- I can describe 15 Future Yous and have an awareness of the qualifications that would be needed.

## CORE

- I can detail decent human values that should be respected, and some that should be challenged.
- I generate new ideas or ideas to improve something by asking myself questions.
- I explore problems by creating different possible solutions.
- I manage time and share resources to support completing tasks.
- I can detail 10 Big Ideas from Years 7 & 8.
- I can describe 10 Future Yous.

## SUPPORT

- I can detail what it means to be calm, creative, engaged and respectful and say why those values are important.
- I can imagine different situations and describe what I am thinking or imagining.
- I complete tasks by finding information myself.
- I know how to explain my feelings about something to my team.
- I can detail 5 Big Ideas.
- I can describe 5 Future Yous.
