The Foundation of Joanna Scott and Others (Registered Charity Number 311253)

The Foundation of Joanna Scott and Others was set up under the will of Joanna Scott dated 1709, and now it operates under schemes laid down by The Board of Education and by The Charity Commission.

Under these schemes the Trustees of the charity may make grants for education (fairly widely defined) to young Norwich people aged under 25 whose homes are within 5 miles of Norwich City Hall or who attend a school within that area and whose parents are not able to afford the expense involved. Examples vary from nursery fees to degrees, and can include school uniform, trips, music, dance and gym tuition. Funds, however, are limited.

The Trustees meet four times a year, but there is a subcommittee who can agree small grants.
